

Landing Page:

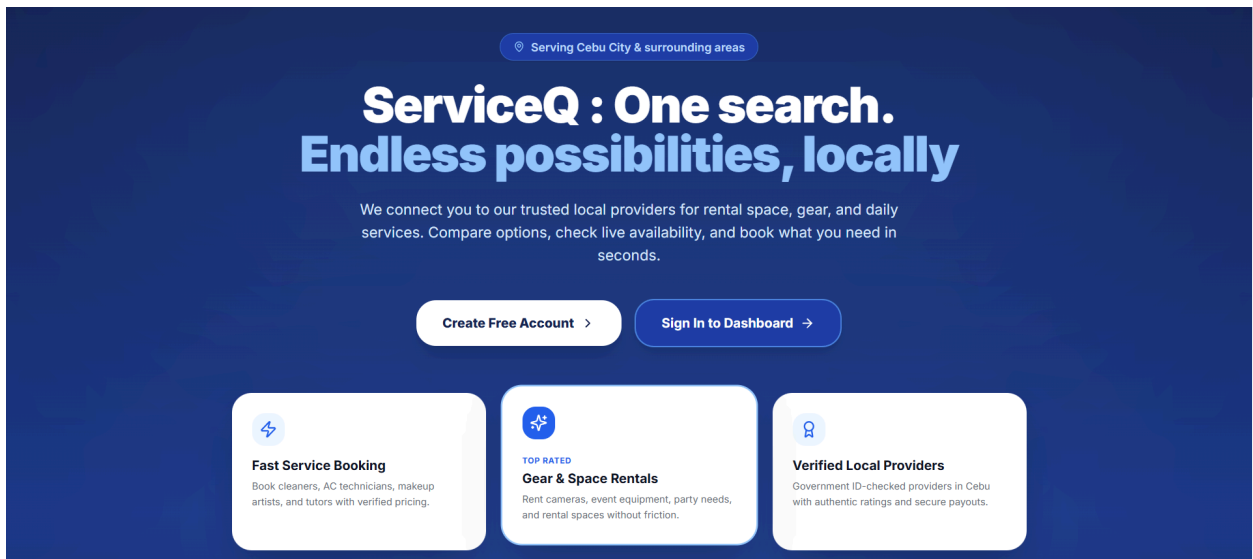

- First the header (attached image) changes the icon to our icon.

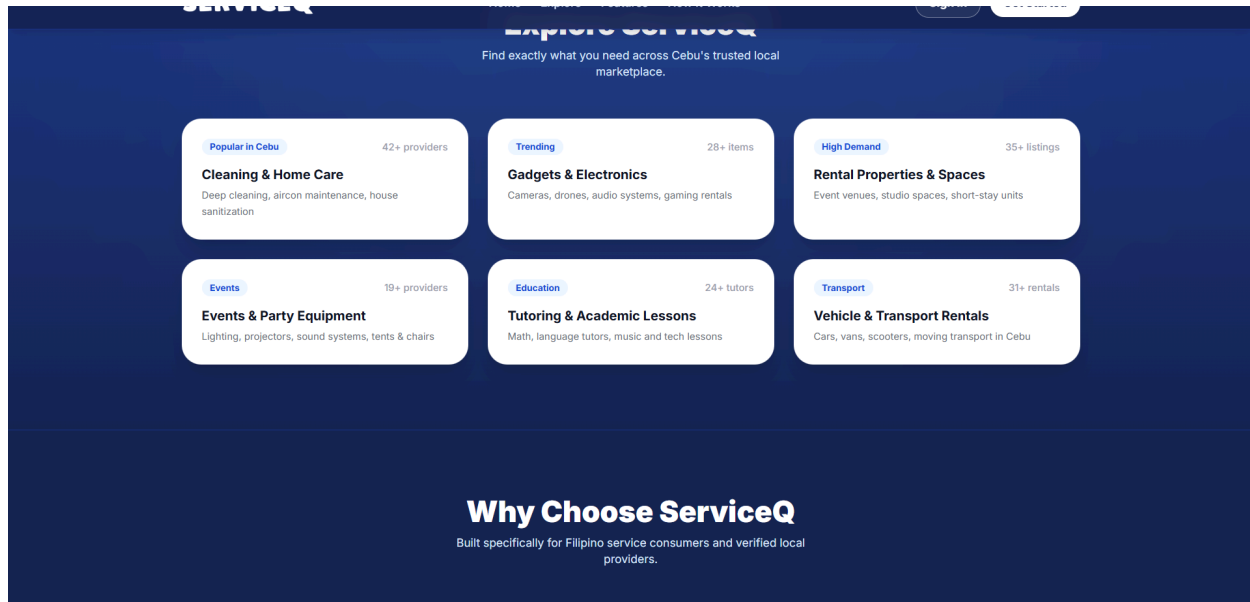

- Second, pwede ni nimo ma extend siyak y huot kaayo siya tan-awon ang katas-on

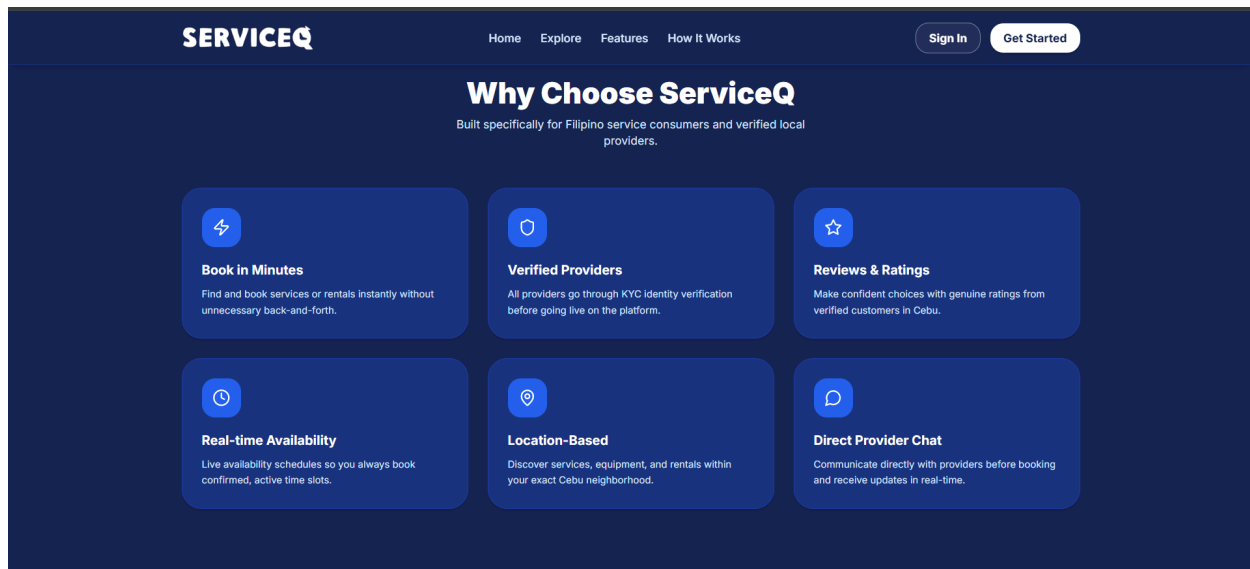

- Third, can you make the card transition like if i hover this card ky mo color siya same sa middle ganon ang atake, and make sure na if i click the home it will cover the home section ky pag click nako daghan white space:

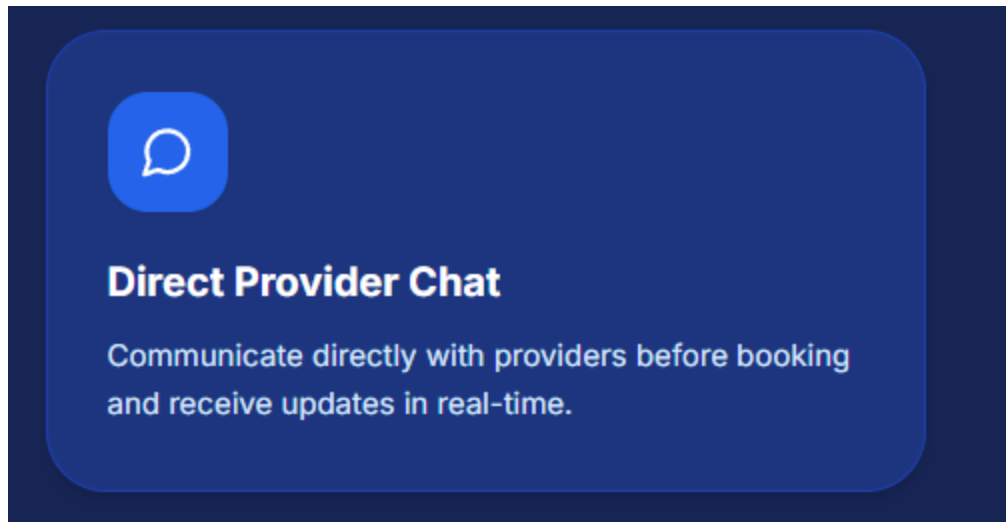

- This is what i meant if i click the other ky dili siya tugma sa section niya, pls fix itm and the cards ky same sa akong gi suggest sa above this:

- Look, hehe dili mo tugma sa section

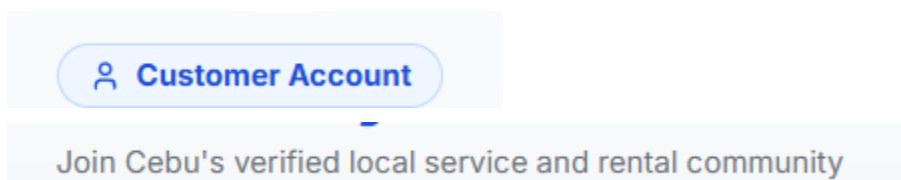

- We dont have direct provider chat po as of the moment you can add like unavailable as of the moment or anything hehe

- Too much emoji, too much white space, just follow the design in figma for sign-up para hindi kaayo dako ang white space, also the just separate the full name, like first name, last name, middle initial if they have.

A screenshot of a mobile app's "Create your account" screen. At the top left is a "Back to Home" button. In the center is a logo of a clock with wings. Below the logo is a "Customer Account" button. The main heading is "Create your account" with a subtitle "Join Cebu's verified local service and rental community". There are two tabs: "Customer" (I want to book or rent) and "Provider Partner" (I want to offer services/rentals). Below the tabs is a progress bar with four steps: 1. Account Info, 2. Location, 3. Password, and 4. Verify Email. The "Full Name" field contains "Juan dela Cruz". The "Email address" field contains "you@email.com". The "Contact Mobile Number" field contains "09xxxxxxxx". A blue "Next >" button is at the bottom.

- Too much emoji, and I think much be better if we would add checkbox if its a freelancer nalang, ky we asked the business or trade name, but we asked put owner name sa ubos. So yeah, confusing siya if freelancer siya, then dont add Gcash, just contact number lang, also if click the primary category and select the other local service, can you put a input form below it para we know what kind of other services and rental, add a input validation for all, if we asked number just make sure its number and the minimum number length, apply the minimum length of all input fields.

The screenshot shows the 'Provider Partner' registration form. At the top, there are two tabs: 'Customer' (I want to book or rent) and 'Provider Partner' (I want to offer services/rentals). Below the tabs is a progress bar with four steps: 1. Account Info, 2. Location, 3. Password, and 4. Verify Email. The main section is titled 'Provider Profile Setup: Tell us about your service or rental business so Cebu customers can discover you.' It includes a text input for 'Business or Trade Name' (with a placeholder 'e.g. Cebu Pro Cleaning Services or Juan's AC Repair') and a note 'Personal name if freelancer'. Below this is a section 'What do you offer to customers?' with three radio buttons: 'Services' (Repairs, Cleaning, Tutors), 'Rentals' (Gear, Venues, Vehicles), and 'Both' (Services & Equipment). The 'Rentals' option is selected. There are two dropdown menus: 'Primary Category' (set to 'Cleaning & Home Care') and 'Experience / In Business' (set to '1 - 2 years'). Below these is a text input for 'Owner / Contact Representative Full Name' (placeholder 'e.g. Juan dela Cruz'). At the bottom, there are two text inputs: 'Business / Contact Email' (placeholder 'business@email.com') and 'GCash / Contact Mobile' (placeholder '09xxxxxxxx'). A green 'Next >' button is at the bottom right.

- Here ky maybe mag drop down lang ta sa coverage and add more location pud, and put other location. And add some note that we will cover as of the moment is the cebu only

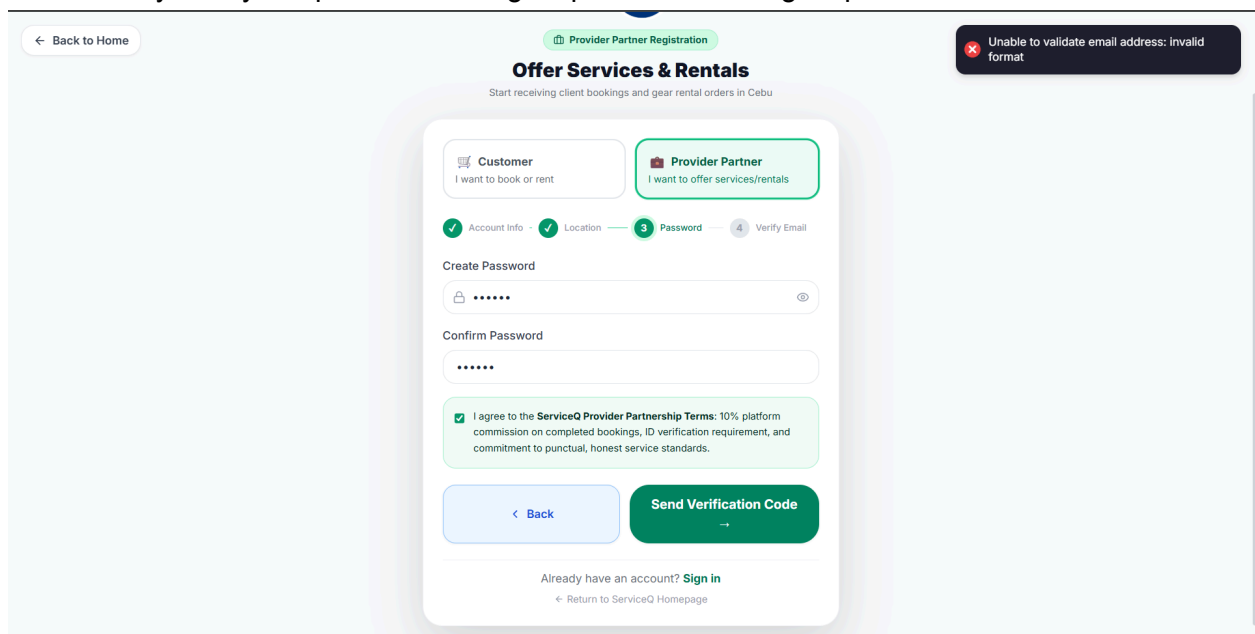

The screenshot shows the 'Shop / Base Workshop Location in Cebu' form. It includes a text input for 'Street / Building / Lot Number' (placeholder 'e.g. 123 Osmeña Blvd, Unit 4B'). Below this are two text inputs: 'Barangay' (placeholder 'e.g. Lahug') and 'City / Municipality' (placeholder 'e.g. Cebu City'). There are also text inputs for 'Province' (placeholder 'e.g. Cebu') and 'Postal Code' (placeholder '6000'). A section titled 'Cebu Service Coverage Areas' has a 'Select All Cebu' link and a grid of checkboxes for various locations: Cebu City, Mandaue City, Lapu-Lapu City, Talisay City, Consolacion, Liloan, Minglanilla, and Cordova. At the bottom, there are two buttons: '< Back' and 'Next >'. Below the buttons, there is a link 'Already have an account? Sign in' and a link '< Return to ServiceQ Homepage'.

- Here ky sa terms and conditions ky daghan daghan baya ta terms and conditions dili lang this one, so maybe hyperlink ang text

The image shows a mobile app registration screen for a 'Provider Partner'. At the top, there are two tabs: 'Customer' (I want to book or rent) and 'Provider Partner' (I want to offer services/rentals). Below the tabs is a progress bar with four steps: 1. Account Info, 2. Location, 3. Password (current step), and 4. Verify Email. The 'Create Password' section has two input fields: 'Create Password' and 'Confirm Password', both with masked text (dots). Below the password fields is a checkbox labeled 'I agree to the ServiceQ Provider Partnership Terms: 10% platform commission on completed bookings, ID verification requirement, and commitment to punctual, honest service standards.' At the bottom, there are two buttons: '< Back' and 'Send Verification Code' with a right arrow. Below the buttons, it says 'Already have an account? Sign in' and 'Return to ServiceQ Homepage'.

- Naa rakoy problem why ni notify na here dapita where patapos na ako, it should be notify if they are problems sa mga input fields sa ilang step:

The image shows the same mobile app registration screen as before, but with an error message at the top right: 'Unable to validate email address: invalid format'. The screen is titled 'Provider Partner Registration' and 'Offer Services & Rentals'. The progress bar shows the 'Password' step is still active. The 'Create Password' and 'Confirm Password' fields are still present. The checkbox for terms and conditions is still there. The buttons at the bottom are still '< Back' and 'Send Verification Code'. The text 'Already have an account? Sign in' and 'Return to ServiceQ Homepage' is still at the bottom.

- After clicking send verification code, it will show an modal or another page like just wait for your approval of you account, we are still reviewing your application or account.
- They can't add listing first or edit some details if they are not yet verified sa kyc
- How can they verified the kyc?

- Here if i click the listing it would show the information in the modal form
